President's Message

By Stan Harrison

Unexpectedly, at the end of the year, we found ourselves able to donate an extra \$5,000 to Fisher House Michigan in Ann Arbor. Because we were able to donate

before the end of the year, they were able to take advantage of a dollar-for-dollar matching

gift. Our \$5,000 became \$10,000 for them. That put them over one million dollars in donations for the year. Fisher House Michigan is about halfway to its goal of \$20 million. Their plans include expansion and construction of a second Fisher House in Detroit. According to the Executive Director, Kate Melcher, since the first Fisher House opened in Ann Arbor in June of 2020. over 2,000 families have been provided lodging, free of charge, while their veterans received care at the Charles S. Kettles Medical Center, Kate told me that guests often come on short notice, with only the clothes on their backs. They can be provided with toiletries and sundries inhouse, but they may need some shopping done for them around Ann Arbor for clothing, etc. If you have a little time and a vehicle for an occasional run, this would be a good volunteering opportunity. The Fisher House Michigan does a lot of good for veterans. Call 518-481-0552 for details.

Meanwhile, stay safe and stay proud.

Chaplain's Corner February 2022

By Rev. Gordon Moore

February brings with it the thought of love and Valentine's Day, the groundhog seeing his shadow, or not, as the case may be, as a harbinger of spring in a few weeks . . . all involve hope in the process. As veterans, we trust in—and remind each other to trust—the process of becoming well again.

Somewhere, in all that hope, there was a seed that was planted that gave us the ability to trust in others, the process, in what we see and feel because God created us and placed within us the ability to hope and trust.

Paul spoke of this process while living in a world with governments run aground, with no moral rudder to guide them. We live with similar

circumstances in which we groan for redemption from God.

Let's allow Scripture to apply salve to our minds and

hearts and regain any lost hope that God is working things to a wonderful end: Romans chapter 8:

There is therefore now no condemnation to those who are in Christ Jesus, who do not walk according to

the flesh, but according to the Spirit. For the law of the Spirit of life in Christ Jesus has made me free. ... For those who the live according to the flesh set their minds on the things of the flesh, but those who live according to the Spirit, the things of the Spirit. For to be carnally minded is death, but to be spiritually minded is life and peace. Because the carnal mind is enmity against God; for it is not subject to the law of God, nor indeed can be, so then, those who are in the flesh cannot please God.

But you are not in the flesh but in the Spirit if indeed the Spirit of God dwells in you. Now, if anyone does not have the Spirit of Christ, he is not His. And if Christ is in you, the body is dead because of sin, but the Spirit is life because of righteousness. But if the Spirit of Him who raised Jesus from the dead dwells in you, He who raised Christ from the dead will also give life to your mortal bodies through His Spirit who dwells in you.

Therefore, brethren, we are debtors—not to the flesh, to live according to the flesh. For if you live according to the flesh, you will die; but if by the Spirit you put to death the deeds of the body, you will live. For as many as are led by the Spirit of God, these are sons of God. For you did not

Because the Christmas program produced such good results, the Executive Committee voted to give \$5,000 to the Fisher House, which with matching funds put them over \$1,000,000 for the year. We also received a donation from friends and relatives of Lloyd Lee in his memory.

Treasurer's Report:

Berry Bourne. Reports were emailed to the Board. Reports

are also available to members and others via email on request. It appears that our year-end unrestricted fund balance will be plus \$10,000, rather than the deficit we projected at the beginning of the year. No questions.

Budget Introduced:

Bourne introduced the proposed budget approved by the Board for member review and comment. The proposed budget projects a \$3,100 surplus for the unrestricted fund balance. The budget will be voted on at the 10 February regular membership meeting.

Good of the Order:

Harrison: Kate Melcher told me that it takes \$120,000 a year to run the place. Fisher House gives gift cards to folks who don't have what they need when they arrive at Fisher House. Now what we need is for volunteers who will do the shopping for those folks so they can stay with their loved ones. Palazzolo: We are near to finished with collecting items for the apartment. We need a few more things. The next big thing we need is help moving all the stuff into the apartment after construction is done in February.

McCrumb: Introduced Will Becket, a VFW member who is visiting tonight. He is a US Army medic. Bull: VFW will be open 2 Feb. The Veterans Resource Center will also be open again on Wednesday and Saturday after that.

Bull: The Green Alert bill is going to be discussed at the 25 January commanders group meeting.

Bull: Food resources are plentiful now. This past month, only one person needed food. The focus must now be on making sure this food gets to those who need it before it goes bad. Veterans and their families are eligible.

Bull: Huron Valley Ambulance is working on donating an old ambulance for us to use as a Mobil Resource Center. This will allow us to offer these same services at more locations during the year.

Bull: 26 March is the next Open House.

Merritt: Breakfast Friday morning (11 Feb 2022) at 0900: TBD.

Closing Prayer: Robert Bull

Post-Holiday Sharing

While stationed in San Diego in 1966-70, my late wife Lois & I lived in a mobile home park about 5 miles from Tijuana, Mexico. Having the proper size, I was asked to play Santa over the years in various settings—mostly mobile home parks club houses. I was pretty good at it. Of great enjoyment was to have my son, 2+, sit on Santa's lap and just being curious at the voice of Santa (LOL).

Disparities

We know viruses do not discriminate based on location, race, ethnicity, or national origin. However, viruses like COVID-19 can highlight health disparities that are deeply rooted in our society. COVID-19 is disproportionately affecting some communities in Washtenaw County, including Ypsilanti and Ypsilanti township zip codes and our county's African American population. Similar disparities have also been seen in Michigan and elsewhere in the United States. Read more about why these inequities may be present, how the Washtenaw County Health Department is working with communities facing health disparities, and community resources.

People of every race, economic status, and age are at risk for coronavirus and should continue taking every precaution to help slow the spread of illness. We must continue to push for policies that address the inequities that this pandemic has brought to light, including paid time off and access to health insurance. Discrimination and disparities are unjust and put us all at greater risk. Individuals in need of essential resources can view Washtenaw County Office of Community and Economic Development's list of community services or call 2-1-1.

We have a responsibility to provide data that reflects health inequities so that everyone can take action and have the ability to protect themselves from COVID-19. We continue to work with community partners to address these inequities.

Evidence of Community Spread

There is evidence of community spread locally. We have seen cases with no known contact with confirmed cases of COVID-19 or recent travel. Washtenaw County Health Department continues to work with diagnosed individuals to identify close contacts so they can be notified, quarantined, and alert to the possibility of symptoms.

Because there is evidence of community spread, the Washtenaw County Health Department is no longer naming public low-risk exposure locations. Residents can assume there is a possibility the virus may be present when they are in public places in the community. The Health Department is not announcing evidence of community spread to cause panic, but to reinforce that people should be taking all recommended prevention measures. View community mitigation recommendations and orders and prevention methods.

Case total table and charts are updated on **Monday and Thursday**. Probable case counts and demographic tables are updated on **Thursday only**. The past 24-hour case count will be updated daily, **Monday – Friday**. The "Weekly Summary of Key COVID-19 Indicators in Washtenaw County" is updated weekly on **Fridays**.

Of Interest to Veterans

This message came from our reader Alan Wood, in Australia:

John, that article on George Wilson's ring, on page 11 of the January 2022 Dispatch, is so very interesting, and how much luck was involved in it finding its way back to his family after so many years had

Thank You, Members and Friends

By John Kinzinger

Our VVA 2021 annual VA Medical Center Christmas fundraising was most successful. Donations from many Chapter 310 members and wonderful Friends of the annual program raised enough funds to allow us to donate \$5,000 to Fisher House. That amount was doubled as part of a year-ending matching program.

For our local hospitalized Veterans, we delivered our annual gift of thousands of dollars of needed underwear to the Voluntary Services to distribute to patients as they need them. We also gave the Voluntary Services office our annual gift of 150 specially embroidered shirts of different styles and sizes. The embroidery includes a Flag and the words "Proud American Veteran, Freedom Is Not Free."

Our VAMC committee sincerely thanks everyone who contributed to making this our best year ever to help hospitalized local veterans. Further spending will include upgrading a few special occasion meals to a steak entrée for the hospitalized Veterans.

If you would like to be part of this annual effort, please contact John Kinzinger at 734-645-8647. In November, the first week, you will receive our yearly letter and information to make a gift to the program.

[Next comes the remainder of Rev. Gordon Moore's inspirational message, continued from page 2]

receive the spirit of bondage again to fear, but you received the Spirit of adoption by whom we cry out, "Abba, Father." The Spirit Himself bears witness with our spirit that we are children of God, and if children, then heirs—heirs of God and joint heirs with Christ, if indeed we suffer with Him, that we may also be glorified together.

For I consider that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us. For the earnest expectation of the creation eagerly waits for the revealing of the sons of God. For the creation was subjected to futility, not willingly, but because of Him who subjected it in hope; because the creation itself also will be delivered from the bondage of corruption into the glorious liberty of the children of God. For we know that the whole creation groans and labors with birth pangs together until now. Not only that, but we also who have the first fruits of the Spirit, even we ourselves groan within ourselves, eagerly waiting for the adoption, the redemption of our body. For we were saved in this hope, but hope that is seen is not hope; for why does one still hope

for what he sees? But if we hope for what we do not see, we eagerly wait for it with perseverance. . . . And we know that all things work together for good to those who love God, to those who are the called according to His purpose.

(Romans 8:1-25,28 New King James Version)

Our hope is in the Lord, maker of heaven and earth. May we walk in that hope until we reach the fulfillment of our salvation.

Does This Happen to You?

ByJohn Kinzinger

The recent passing of Chapter members Lloyd Lee and Hal Dotson--plus another member whom I served with--got me thinking. Here's the photo:

John Manners
[on the right]
and I served
together in basic
training, AIT, in
sister battalions
in Vietnam, and
about 90 days in

Fort Meade, Maryland to finish out our two-year obligation. We kept in touch until he passed 10 years ago.

The third person is Arie DeJong, who had a strong European accent. I believe Arie has passed. I am a survivor. But why me? Then I remember it is our Lord's plan, not ours, and thank Him. You, too, may also be a survivor in a photo and think similar thoughts. Thanks be to God.
